

**CORRECTIONS DEPARTMENT[201]**

**Adopted and Filed**

Pursuant to the authority of Iowa Code section 356.36, the Iowa Department of Corrections hereby adopts amendments to Chapter 50, "Jail Facilities," and Chapter 51, "Temporary Holding Facilities," Iowa Administrative Code.

The purposes of the amendments to Chapter 50 are to provide better protection to jail staff and prisoners by permitting the sheriff discretion to determine if electronic control devices can be carried by staff in the jail; to correct a cross reference and to move text to the correct location in the chapter; and to comply with a newly enacted law requiring verification of veteran status of newly admitted prisoners.

The purposes of the amendments to Chapter 51 are to develop consistency between Chapters 50 and 51; to provide better protection to staff and detainees by permitting the facility administrator discretion to determine if electronic control devices can be carried by staff; to address installation of mirrors in facilities; to ensure that adequate meals are served; to comply with a newly enacted law requiring verification of veteran status of newly admitted detainees; and to require annual staff training on suicide prevention.

Notice of Intended Action was published in the Iowa Administrative Bulletin on April 6, 2011, as **ARC 9442B**. A public hearing was held on April 26, 2011, from 11 a.m. to 1 p.m. in the First Floor Conference Room of the Department of Corrections. One person attended the public hearing, and no other oral or written testimony was received. One minor, nonsubstantive change has been made in response to public comment. The definition of "weapons" in Items 1 and 6 has been revised by striking the word "primary" and, consequently, changing "a" to "an." The definition now reads as follows:

"*Weapons*" means any instrument, excluding restraining devices, chemical control agents and electronic control devices, with an intended use of self-defense, protection of another, or to gain or maintain compliance from an individual."

In addition, a technical change has been made in paragraph 51.13(6)"c" in Item 12 to clarify the number of items in a series.

These amendments were approved during the June 3, 2011, meeting of the Board of Corrections.

These amendments will become effective on August 3, 2011.

After analysis and review of this rule making, no impact on jobs has been found.
